

Our stories are snapshots of who we are, the people, places, experiences that have shaped us.

# What's **YOUR** Story?

“ I have had many struggles in my life, but none as difficult as when my child was struggling. I tried talking to friends, and even counselors, with no success. God led me to join the church and then filled me and my son with the love of the Holy Spirit. I could see the turmoil leave him after he learned how God loved everyone. ”
