Trinity Lutheran Evangelical Church of Lansdale Veteran's Directory and Ministry

This directory is dedicated to honor our veterans from all branches of the U.S. military services and to honor the sacrifices they made and the courage it takes to defend, honor, and protect our great country. It is intended to be a component of the historical records and annals of Trinity Lutheran Evangelical Church of Lansdale in memory and recognition of these veterans.

Heroes come from all walks of life. Many volunteered and many were drafted. We honor our heroes, their achievements, their courage and dedication. We are in the midst of patriots who have nobly served. They possess courage, pride, determination, selflessness, integrity and dedication to duty. Veterans were often called to be part of very difficult chapters in our nation's history. They are ordinary people who responded in extraordinary ways and sometimes in extreme circumstances.

Millions of Americans have fought and died on battlefields here and abroad to defend our way of life. Today our military continues to make the ultimate sacrifices as more Americans still step forward to serve. They step forward in the footsteps of great Americans from previous generations.

This tribute is one small spark in the flame of American pride that burns in our Church today, and every day. We honor those who have made sacrifices so that we all live in freedom. The members of Trinity Lutheran Evangelical Church say, "Thank you," for answering the call to duty.
